

# NCSI Skillman Distinguished Leaders Program

National Charter Schools  
Institute

Special Seminars on one-on-one coaching and individual professional development designed to guide, teach and mentor School Leaders and Board Members. The seminars will address “just-in-time” needs with a professional consultant supported by on-site coaching at your school building.

## COACHING: LEARNING PARTNERS HELPING TO ENHANCE PROFESSIONAL DEVELOPMENT - PART I – LEADERSHIP DEVELOPMENT

This seminar will help create a collaborative learning environment by introducing participants to the coaching function. You will learn how coaching can improve overall leadership skills that ultimately lead to realistic and lasting change within your leadership role.

This session will offer:

- Knowledge about the benefits of coaching and how it can be used to enhance leadership skills
- An assessment of needs and expectations of a coaching relationship
- Strategies and resources to apply for on-site coaching
- Customized guidelines to enhance the coaching relationship

## COACHING: LEARNING PARTNERS HELPING TO ENHANCE PROFESSIONAL DEVELOPMENT -- PART II – PLANNING & PREPARATION

This seminar will provide customized development on the needs identified from Part I, including the development of action plans for follow-up, on-site visits including:

- Planning
- Demonstration – Observation – Feedback
- Demonstration – Delivery – Feedback
